QUALITY & CERTIFICATIONS

Documentation is specific to the selected product, supplier and production site.

FOOD SAFETY DOCUMENTATION

BRCGS • HACCP

Request the applicable documents for the selected supplier and production site.

PRODUCT CERTIFICATION

Organic • Halal • Kosher

Availability and certification scope must be confirmed for the selected product.

SOCIAL COMPLIANCE DOCUMENTATION

BSCI • Sedex / SMETA

Request the relevant supplier documents and confirm their scope and validity.

BEFORE ORDER CONFIRMATION

Confirm the document holder, production site, product scope and validity dates.
Destination-market requirements are checked for the selected order.

The names shown are examples of documentation to request, not a blanket certification claim.

WORKING WITH SHENAY

COMMERCIAL INFORMATION

Supply arrangements for distributors, wholesalers and foodservice.

PACKAGING

10 kg bulk is the standard format for applicable products. Final pack size and configuration are confirmed in the quotation.

MIXED CONTAINERS

3 MT	5 PRODUCTS	SAME PORT
Minimum per product	Maximum per reefer	One loading port

For applicable consolidated orders. Product compatibility and the loading plan require final confirmation.

PRIVATE LABEL & OEM

Options depend on the selected supplier, MOQ, artwork, packaging and destination-market labelling requirements.

PRODUCT CONFIRMATION

Origin, grade, cut, availability and certifications are confirmed for the selected product. Organic status requires valid product certification.

QUOTATIONS & PRICES

Prices are provided separately. Please specify your products, quantities, destination and preferred delivery terms when requesting a quotation.

Final specifications, commercial terms and availability are confirmed in quotation.
